Parent Teacher Association

Communication between parents and teachers is essential for student success in the classroom. As part of this communication, teachers

regularly meet the parents to discuss what is being taught and how the student is progressing.

- On 16th September 2019, Parent Teacher Association and Technoserve together organized “A Parent Engagement” session wherein the parents of students undergoing training with Technoserve under the “Youth Employability Programme” were present. The program was well received and was attended by 21 parents of final year students.
- Parents of students who did not perform well in the exams attended the Parents - Teachers Meeting and the marksheets of their respective wards were handed over to them in December for the first semester and third semester.
- Discussion was focused on student’s specific strengths and weakness in individual subjects as well as student’s attendance in classrooms.
Parents expressed their gratitude for the efforts as well as the care taken of their wards and expressed their happiness for having their ward studying in our institution.
Parent Teachers Association of the college has been very active. It has been an effective and supportive forum for the maintenance of attendance and academic excellence in the campus.
