

Report of Activities 2022-23

Intra College Research Paper Presentation Competition

To develop a research culture among the students, every year Research and Development cell organizes Research Paper Presentation Competition for undergraduate and post graduate students. To provide opportunities for academically sound youth by developing knowledge skill and attitude of research, students can select topics from the category given below:

- Category 1- Commerce, Management and Law
- Category 2- Humanities, Language and Fine Arts
- Category 3- Engineering and Technology
- Category 4- Agriculture and Animal Husbandry
- Category 5- Pure Science

Objectives of Research Paper Presentation Completion:

- To identify the hidden innovative talents and capacities of the students.
- To provide opportunities for inculcating research attitude in the students.
- To create academically sound youth by developing knowledge, skill, and attitude of the research.
- To develop personality and communication skills in the students.
- To promote the interaction among the students for the exchange of various aspects of the research.
- To encourage the students to participate in Avishkar Research Convention- Inter collegiate Research competition.

Participation in 17th Intercollegiate Avishkar Research Convention 2022-23:

Today unprecedented changes have been taking place in the business world which led to the emergence of new areas for research. To face these changes and challenges there is a dire need to reorient teachers and students in research techniques and methodology to shape their sensibility towards identifying problems and researching for solutions.

The frontiers of education are changing every day and we are moving from the knowledge-based society to a society of innovation. Thus, research becomes one of the most important components of higher education. Today, one of the indices for the measurement of

the potential of any educational institution is its research activity. It is essential to unveil the unknown and unexplored areas of knowledge in all fields of academic enquiry.

To develop personality and communication skills among the students and to encourage students to participate in Avishkar Research Convention, Orientation programme was organized on 24th September, 2022. Students of Post Graduate and Under-graduate category presented research project on topics like:

- * Wifi deauther
- * Third Eye For Blind Ultrasonic Vibrator Gloves
- * A Study On Passenger's Safety And Need Of Modification In The System And Non Ac Trains In Mumbai
- * Lack Of Awareness On "PCOD & PCOS" And Health Issues Among Young Girls In Higher Education Institutes (HEI)
- * Eye Tracker Impact On Quality Of Life Of ALS Patients
- * Forensic Accounting And Fraud Detection In Banking Sector Impact of Covid – 19 on MSME Sector
- * Digital Periodic Table

Students participated in large number from B.Com/BSC-IT, MSC-IT, and Self-Financed Courses. Students were selected for selection round of 17th Intercollegiate Avishkar Research Convention 2022-23 of University of Mumbai for Thane district zone. To promote the interaction among the students for the exchange of various aspects of research, Research and Development Cell organizes such activities every year.

Our MSC-IT Student Mr. Shubham Sawant has secured 1st Rank and Gold Medal in 17th Inter Colligiate Avishkar Research Convention in Final Round of University of Mumbai. further he has represented mumbai university at State level avishkar inter university research convention in PG level at Pune for Engineering & Technology Category & Secured 1st rank for his research Project Wifi deauther. It was a proud moment & great achivement for our S.N College.
