

NCC Report: 2023-24

Our College NCC operates under the open unit 5 MAH EME COY NCC, Mumbai 'A' group. The college provides the necessary infrastructure and facilities for the cadets. The College aims to see our NCC cadets be a part of the Armed Forces of India at the officer level and also attend Republic Day Camp in New Delhi which is a prestigious one.

The NCC was first introduced in the College with the strength of 40 cadets on 27th June 2010 by Lt. Col. Sunny Bakshi and the support of college Management.

The Unit is presently carried under the guidance of the Office Commander of 5 Mah EME COY NCC Mumbai "A" group Col. Jitendra Sahastrabudhe and supporting staff NCC Officers (NOs), NCOs (Non-Commissioned officers) and JCOs (Junior commissioned officers). Regular parades and activities conducted by the (student representative) senior ranking cadets SUO. Rupendra Pratap Singh, JUO. Vishnu Maral and CSM Nitish Varma under the close observation of caretaker officer (CTO) Prof. Dr. Ajit N. Jadhav.

The most integral part of NCC training is participation in various camps nationwide, including rigorous Army training. Every cadet is expected to attend a minimum of one camp to appear for the "B" Certificate and two camps for the "C" certificate examination.

Camp attended by Cadets for the Year: 2023-24
