## 7.2.1. Best Practice to Nurturing Values and Ethics

### Inner Will Club

Inner Will Club strives to nurture values among students through meeting the deprived sections in the society and reaching out to them. We visit Orphanages, Old Age Homes and provide educational stationeries and food.

An appeal is made to all the students to donate in kind any educational stationary for his noble cause. Students contributed pencil box, notebook, tiffin box, water bottle, schoolbag, sports material, games willingly for this social cause. Students also contribute towards the food and entertainment for the elderly people.

Our college students organized competitions and cultural program for the children at Orphanage and Elderlies at Old Age Homes, it was an effort to inculcate social values among the students through Inner Will Club. Our aim is not just to educate but transform the students to be a responsible citizen of our society.

## **Research and Development Cell**

### **One-week Online Workshop on “Universal Human Values and Ethics” from 16th February, 2022 to 25th February, 2022**

Every year Research and Development Cell organizes various activities to create zeal among students and faculty members towards innovation. The **workshop on Universal Human Values and Ethics** was an effort towards evolving an effective and universally acceptable methodology for introducing value education in the present curriculum of higher education institutions. Thus, it was in response to a long-felt and urgent need to integrate value education with technical and professional skills in the present-day education system. Jointly with Universal Human Values Cell, University of Mumbai **One-week Online Workshop on “Universal Human Values and Ethics”** was Organised by Research and Development Cell, Shankar Narayan College of Arts & Commerce, Bhayander from 16th February, 2022 to 25th February, 2022

The purpose of this workshop was to help students to develop a holistic perspective about life. A self-reflective methodology of teaching was adopted. It opened the space for the student to explore his/her role (value) in all aspects of living – as an individual, as a member of a family, as a part of the society and as a unit in nature. Through this process of self-exploration, students were able to discover the values intrinsic in them. The students started finding that education without study of human values can generate more problems than solutions. They also started feeling that lack of understanding of human values is the root cause of most of the present-day problems and a sustained solution could emerge only through understanding of value-based living.

## Policy on Sustainable Campus

Shankar Narayan College of Arts & Commerce, Bhayandar, is committed to set up a Green Audit Committee (Department of Environmental Science) that will evolve strategies, guidelines, measures and oversee implementation of the various aspects of Green Initiatives undertaken by the institution to achieve a Sustainable campus.

### Objective:

The building block towards developing a sustainable campus is implementation of initiatives to achieve Green Campus by adopting Green energy measures, implementing water conservation practices, achieving zero waste campus & constantly engaging in shaping the society towards eco-consciousness through the actions of sensitized stakeholders of the institution.

### Composition of the Green Audit Committee:

1. Principal of the college- Chairperson
2. IQAC Coordinator- Secretary
3. Faculty Representative nominated by the Principal
4. Student Representative- General Secretary of the college
5. Non-Teaching Staff Representative- Office Superintendent

### Role of Green Audit Committee for Green Campus:

1. Seek views of all the Stakeholders to make the Green Campus initiative functional throughout the year.
2. Conduct the Campus' environmental impacts to identify the targets for improvements.
3. Establish a Green Campus Environmental Ethic Awareness campaigns.
4. Link Green-Campus activities to Academics in the Institute.
5. Organize Awareness Programs for the students, faculty and society.
6. Chart out a yearly planner for the Institute to achieve sustainability through actions undertaken
7. Develop a strategic plan and create student teams to carry out specific tasks of the strategic plan. For instance, a plan to sensitize society regarding E-waste by training students on

importance of E-waste management & appropriate disposal to generate a conscious & cleaner environment.

8. Conduct a Green, Environment and Energy Audit of the campus.
9. Establish public/private partnerships with personnel from state, and local environmental agencies, utilities, and the business community through MoUs.
10. Evaluate daily operations in terms of pollution prevention, waste stream management, and energy efficiency reducing, reusing, recycling, and repairing wherever possible.
11. Secure a commitment up front from the people in charge that expert recommendations will be acted upon once audits are completed.

#### Beyond the Campus Initiatives:

1. Beach Cleanup drives
2. Tree plantation programs
3. Street play to spread awareness regarding water conservation
4. Street play to encourage the use of ecofriendly earth clay for Ganesh Idol instead of plaster-of-paris & abort or minimize the use of plastic decoration.
5. Nature trail in the Mangroves to enforce conservation practices

#### Green energy measures:

1. Activate power management features on your computer and monitor so that it will go into a low power "sleep" mode when you are not working on it.
2. Turn off your monitor when you leave your Table.
3. Whenever possible, shut down rather than logging off.
4. Turn off light & fans when not in use.
5. Use LED or compact fluorescent bulbs.
6. Promotion of use of cycle, battery powered vehicle, local transport & carpooling to minimize fuel consumption.
7. Phase out the CFL and conventional light source such as bulbs and tube lights, halogen and mercury street/campus lights and get them replace by the LEDs.
8. Purchase only Energy Efficient Computers viz: "ENERGYSTAR" or any other equivalent.
9. Install Sensor based energy conservation equipment & devices.
10. Spread awareness regarding E-waste Management
11. Promote the use of alternate source of energy – solar / Biomass

#### Water Management:

1. Make provision for rainwater harvest
2. Install Reed-bed system for treatment of grey water to be utilized for watering the landscape.
3. Use of aerated taps to minimize consumption of water.

### Green Campus Initiatives:

1. ISO Certification 14001:2015
2. Train students and teachers to prepare Ecobricks from waste single use plastic/PET bottles.
3. Plastic collection drive for plastic free campus
4. Cleanliness Drive
5. Landscaping and gardens
6. Digital Library/ E-Learning Centre
7. Establishment of Vasundhara Nature Club
8. Environment and Energy Audit conducted
9. Restricted entry of automobiles
10. Promotion of paperless documentation
11. Use of E-banners in Audio-Visual Room & Auditorium during events, seminars, conference to minimize waste due to flex/printed banners.
12. Maintenance of plant nursery & landscaping with various plant species in the campus.
13. Installation of infrastructure that reduces carbon emission in the campus.
14. Promote use of organic fertilizer & compost to maintain green cover in the campus.
15. Ban on bouquet covered with plastic/thermocool/cellophane & other non-biodegradable material.
16. Prepare "Online questionnaire form"/ "Google Form Feedback" system to evaluate/survey/feedback in terms of resource efficiency.
17. Adopt 'Think before you print' attitude for computer printing. If necessary, use both sides of page to print.
18. Define Green classroom space to conduct interactive sessions in open space to understand importance of environment
19. Color coded bins for waste segregation
20. Installation of Vermi compost/ Bio composter bins in the campus
21. Strict ban on burning of fallen leaves in the campus. Further used to generate compost for vegetation in the campus.

The Institute will make all the necessary efforts to involve the students, faculty and staff in "Sustainable Campus Initiatives" by designating the volunteers of Vasundhara Nature Club, NSS & NCC cadets, printing badges/T-shirts/ Caps with green campus initiative slogan specially designed for the purpose.
