Dear Sir / Madam,

Subject: BFSI Training with Placement Assistance at Zero Cost

Greetings from Kotak Education Foundation (KEF)!

It is a pleasure for us to be writing to you. KEF is the CSR initiative of **Kotak Mahindra Bank** and has been active in Mumbai for the last many years. KEF has various interventions through which it has been making a tangible difference in the lives of people from the economically backward sections of society. Our mission is to have a sustainable process to support youth from underprivileged families with training interventions so as to empower them to be employable and rise higher to lead a life with dignity.

Kotak Unnati is one of the community based interventions of KEF. It is a livelihood program to train and mentor Indian youth in the age group of 18-25 years. Over the last 13 years, we have trained more than 12,600 young Indians and have placed them in various organized sector jobs across industries.

Kotak Unnati has initiated for BFSI skill development a program in Mumbai. Details are as follows:

- A 3 - month program for TY students and Graduates which is zero cost for the participants and provides a dual certification (KEF & NIIT).
- The program includes BFSI domain, Personality Development, IT and English speaking training to equip the youth with the necessary professional and other relevant skills required.
- 100% placement assistance by KEF to all eligible participants to secure a job and embark on a sustainable livelihood journey (subject to completion of their graduation).
- This program is for TY students and Graduates in the age group of 20 to 25 years with a monthly family income up to Rs.10,000/- (or per capita monthly income of Rs. 2500/-).
- To make it convenient for your students, the program will be conducted at your college premises itself for which KEF will require your college to allot a 50 – 60 seater classroom for 4 hours a day with projector and audio facility and an IT room for the hours related to IT training.

Dear Vanita Ma'am
 I hope this mail finds you in the pink of your health and Spirit.

I would firstly like to Thank you for the efforts you have put towards our organization and helping us maintain a good rapport with the students and college. Due to your efforts, we have been able to deliver our best to Shankar Narayan.

As you know we were conducting placement training for students from the third batch but due to the lockdown, we had to discontinue classroom sessions. However, to complete the training we did online training with the help of an online platform. We have done topics like interview readiness, Creative and critical thinking, Email writing, Workspace bullying, etc.

32 students from the third batch have successfully completed their training.

Thanks and Regards
