Dear Ma'am

We are glad to announce that we will be organizing a **Mega Career Fest** for TNS India Foundation trained students on **20th december, 2022.**

The fest will be held at **Venue: Shankar Narayan College, Bhayander East.**
The students are required to report to the venue at **9 am** and are also informed about the same.

The Mega Career Fest is being organized to provide formal sector job opportunities to ensure a secure future for our students. We are doing this by bringing together **8 corporates** and more than **350 entry-level applicants** overall under one roof. In order to make the fest more competitive as well as to provide equal opportunities to all students, each student will have a chance to sit for more than 3 corporates selected by them. Once selected, the student will not be permitted to apply for another opportunity through TNSIF, to ensure that each student present gets equal opportunity.

We request you to encourage your students for 100% participation and to get pre-placement offers at this unique opportunity.

Please find attached the list of students who will be participating for the said career fest. The participating corporates are as follows:

1. Motilal Oswal
2. Kotak Bank
3. HDB Financial Services
4. Piramal Finance
5. Andromeda
6. Alankit
7. Aditya Birla Housing Finance
8. Wipro

With this, we wish the students all the success and again, humbly request your support in this initiative!

Sir/ Madam,

Sub: Seminar & Presentation on Career Opportunities in Airlines & Aviation Industry Sector.

Many thanks for your courtesy this morning when I visited your college. We deeply value your co-operation and understanding of the need for such efforts to give a sense of direction and knowledge of the field open to students after securing necessary qualifications.

It is now common knowledge that apart from a University degree, specialized qualification is a must in the specific field. Students may learn and treat it a vocation – not a mere job – an opportunity for a dedicated career.

One such field is the Airline Industry and the Aviation Sector. This will enable them to stand on firm ground when it comes to competition in terms of knowledge, physical & mental fitness, self-confidence and personality development.

We at **FLYHIGH** have various training programmes' such as:

- **Air Hostesses**
- **Flight Pursers**
- **Ground Staff**
- **Reservation, Ticketing & Ground Hostesses (I.A.T.A – U.F.T.A.A)**
- **Airport Terminal Management**
- **Personality Development**

For our students of the age group from 16 years onwards.

We at **FLYHIGH AVIATION ACADEMY** consider it a mission to impart all these qualities so that the would be grateful to us all through life. This is our reward more than the little money involved. Imparting knowledge and expertise to the young generation by itself is a joy. It is gratifying to note that you share our views and extend support & co-operation, which inspires us to strive our utmost. I would therefore be grateful if you will kindly facilitate the Presentation & Seminar on 2 DEC from 0930.

Looking forward to meeting you soon and with warm regards,
Cordially yours,

CATHERINE JOSEPH.
