Subject: Authorization letter for conducting Counselling Sessions by Non Government Counselling Implementing Organizations (CIOs) for Skill Saathi

Dear Madam/ Sir,

NSDC under the aegis of Ministry of Skill Development and Entrepreneurship has initiated a Mega Counselling campaign by the name of 'Skill Saathi' - with the view to counsel students of schools, colleges and dropout candidates about the Skill Eco System to make them aware of career pathways based on their aspirations and interest profiles. This is part of the larger Skill India Mission which was launched by Government of India, in 2015, to empower the youth of the country with skill sets which make them more employable and more productive in their work environment.

Skill Saathi has been designed such that it includes a psychometric assessment of the candidates. As part of the session, students will be oriented towards the various avenues that are available along with success stories shared from the skilling fraternity.

NSDC has rolled out this program through Non-Government Counselling Implementing Organizations (CIOs) wherein CIOs have been nominated as a Counselling Implementing Organizations (CIOs) for conducting Counselling Sessions. However, in order to benefit maximum number of students, NSDC would like to further create touch points apart from Non-Government Counselling Implementing Organizations (CIOs) through various Private, Central and State Government institutions like schools and colleges, etc. to help conduct Counselling Sessions by joining hands with the Non-Government Counselling Implementing Organizations (CIOs).

Thus, we would like to your seek support to allow the said Non-Government Counselling Implementing Organizations (CIOs) (list below) for counselling the students in your school/college.

We look forward to your support for making 'Skill Saathi' a success!

With Best Regards,

Dr. Archana Singh

For the first time in our country, the Company Secretaries are recognised as advisors to the Board on the affairs of the Company and all matters to ensure good Corporate Governance by the Act itself. They are also required to guide the Board on its own role, responsibilities and duties.

The opportunities are galore. However, there is need to guide and train the students to become Corporate Governance Professionals through the Company Secretary Course.

In this backdrop, we request your good self for a 45-60 minutes session sometime in the month of June/July 2019 to apprise the students of your college about the profession and the course of Company Secretaries.

Looking forward to a positive response.

**TECHNO SERVE**  
BUSINESS SOLUTIONS TO POVERTY

This document constitutes a Memorandum of Understanding (MoU) between Ashwattha Advisors Private Limited (AAPL) and Shankar Narayan College of Arts and Commerce

### Background

Ashwattha Advisors Private Limited (AAPL), which is a wholly-owned subsidiary of TechnoServe Inc. is conducting a "Campus to Corporate Careers (C2C) Program" for enhancement of employability and workplace skills for deserving youth.

1. In this connection, AAPL intends to be associated and work closely with Shankar Narayan College of Arts and Commerce to conduct employability training and career counseling sessions for the final year college students. This will include activities through the year, till students complete their final year examinations. Features of the program are as follows: months after their final year examinations. Features of the program are as follows: TECHNO  
135  
P
2. 80 hour program including Personal effectiveness (goal setting, interpersonal relations, Finance, Professional effectiveness (how to choose right career option, how to write CVs, cover letter- etc.), Business communication (effective communication with customers), Career Readiness (orienting students to jobs matching their skill sets and exposure to a career path) and Work Readiness (Professionalism, Work Ethics, Email Etiquettes, Workplace dynamics - etc.)
3. 80 hours of training will be delivered in class and few hours of additional training will be available to students on TechnoServe's proprietary online learning platform. The program also includes individual student counselling during the program, post training, pre-placement and also post placements.
4. There is no cost for students to attend the above mentioned training.
5. Each training batch size will be a maximum of 50 students. Sessions of duration 2 hours each to be conducted 5 days per week. Trainings to be conducted for 2 or more batches in one day through one TechnoServe trainer.
6. Counselling support is available on training days for providing career guidance to students who are enrolled in this program.
7. Students will be provided a certificate on completion of course with minimum attendance criteria of 90%.
8. Students will be further supported in job placements from the time of training completion till they are placed in a job. The training is complete.
9. College is expected to support the successful placements of all students, should they take up this service with TechnoServe.

For this purpose, AAPL. requires support of the college in the following areas:

1. Facilitating discussions and engagement with the 2019 current third year degree students and 2018 graduates wherever feasible. This involves the following:
  - a. Assistance in batch scheduling with ongoing final year classes.
  - b. Support in allocating batches (of 45-50 students approximately) per trainer for optimum utilization of resources and training effectiveness.
2. Infrastructure support for the following:
  - a. Training facility (a training room where 50 students could be trained). Training methodology requires some space in the middle of the room for conducting student activities.
  - b. Space for the career counsellor/trainer who would be available in college on days of training.

Education Foundation

5<sup>th</sup> December 2019.

To,

The Trustee / Principal / Vice Principal,

S.N College, Bhayander.  
East, Thane.

Dear Sir / Madam,

**Subject: BFSI Training with Placement Assistance at Zero Cost**

Greetings from Kotak Education Foundation (KEF)!

It is a pleasure for us to be writing to you. KEF is the CSR Initiative of Kotak Mahindra Bank and has been active in Mumbai for the last many years. KEF has various interventions through which it has been making a tangible difference in the lives of people from the economically backward sections of society. Our mission is to have a sustainable process to support youth from underprivileged families with training interventions so as to empower them to be employable and rise higher to lead a life with dignity.

Kotak Unnati is one of the community based interventions of KEF. It is a livelihood program to train and mentor Indian youth in the age group of 18-25 years. Over the last 13 years, we have trained more than 12,600 young Indians and have placed them in various organized sector jobs across industries.

Kotak Unnati has initiated for BFSI skill development a program in Mumbai. Details are as follows:

- A 3 - month program for TY students and Graduates which is zero cost for the participants and provides a dual certification (KEF & NIIT).
- The program includes BFSI domain, Personality Development, IT and English speaking training to equip the youth with the necessary professional and other relevant skills required.
- 100% placement assistance by KEF to all eligible participants to secure a job and embark on a sustainable livelihood journey (subject to completion of their graduation).
- This program is for TY students and Graduates in the age group of 20 to 25 years with a monthly family income up to Rs.10,000/- (or per capita monthly income of Rs. 2500/-).
- To make it convenient for your students, the program will be conducted at college premises itself for which KEF will require your college to allot a 50 - 60 sq. classroom for 4 hours a day with projector and audio facility and an IT room for the related to IT training.

AVS/FH/2017

Date: 2/12/22

To  
THE PRINCIPAL  
S.N. COLLEGE  
MUMBAI  
Sir/Madam,

Sub: Seminar & Presentation on Career Opportunities  
In Airlines & Aviation Industry Sector.

Many thanks for your courtesy this morning when I visited your college. We deeply value your co-operation and understanding of the need for such efforts to give a sense of direction and knowledge of the field open to students after securing necessary qualifications.

It is now common knowledge that apart from a University degree, specialized qualification is a must in the specific field. Students may learn and treat it a vocation – not a mere job – an opportunity for a dedicated career.

One such field is the Airline Industry and the Aviation Sector. This will enable them to stand on firm ground when it comes to competition in terms of knowledge, physical & mental fitness, self-confidence and personality development.

We at FLYHIGH have various training programmes' such as:

- Air Hostesses
- Flight Pursers
- Ground Staff
- Reservation, Ticketing & Ground Hostesses (I.A.T.A – U.F.T.A.A)
- Airport Terminal Management
- Personality Development

For our students of the age group from 16 years onwards.

We at FLYHIGH AVIATION ACADEMY consider it a mission to impart all these qualities so that the would be grateful to us all through life. This is our reward more than the little money involved. Imparting knowledge and expertise to the young generation by itself is a joy. It is gratifying to note that you share our views and extend support & co-operation, which inspires us to strive our utmost. I would therefore be grateful if you will kindly facilitate the Presentation & Seminar on 2 Dec from 9.30.

Looking forward to meeting you soon and with warm regards,  
Cordially yours,

CATHERINE JOSEPH.

**Seminar on "Career Opportunities in Banking Sector".19-12-2022**

**T.I.M.E.**

MUMBAI CENTRE

Triumphant Institute of Management Education Pvt. Ltd.  
Licensee: Supreme Education Pvt. Ltd.

To,  
Principal

Subject: Proposal to conduct Seminar / Workshop

Respected Sir/Ma'am,

Triumphant Institute of Management Education Pvt. Ltd. (T.I.M.E.) is India's leading test-prep Institute with a pan-India presence and is headquartered at Hyderabad. Established in 1992, T.I.M.E. today operates out of 190 offices located in 100 towns across the country. Over 40 IIT/IIM graduates form part of the core team at T.I.M.E.

Since our inception, we have coached about 22 lakh students across courses for various Entrance Exams and have an outstanding record for the same. Through the CAT'21 exams an independent result validation process confirms 2050+ T.I.M.E. students with a total 13,436 final selections have secured admissions into the IIMs alone - Results validated by VSMI and Associates on 20/08/2022\*. The fact that the IIMs have about 4500 seats in all showcases that this is no mean achievement. Our students have been consistently succeeding in this manner year after year. We are all set to repeat the history for the CAT'22 Exam too!

As part of their career plan, Degree college students also look at an option of pursuing studies in both technical as well as non-technical streams, after their graduation. While we are sure that they must be seeking guidance from some of their professors, we would like to believe that an organisation of our standing will not just help to bridge the gap, but also be able to add much more value to the students as an aid in their pursuit.

T.I.M.E. is acknowledged as a multi-location, multi-programme training specialist run on corporate lines and today offers a wide range of programmes for MBA entrance exam like CAT, CET, NMAT, SNAP etc and also for International entrance exam like GMAT GRE. We also offer Banks and Government Jobs Entrance exams.

T.I.M.E.'s performance in financial terms has been outstanding as well - it has grown from a brand turnover of Rs. 250 crores. The key drivers of this success are T.I.M.E.'s commitment to students, its pan-India presence, its highly committed team of R&D professionals and its well-researched study material and unique pedagogy.

Following are the topics of Seminars :

1. Career Guidance - In Choosing specialisation (Marketing, Finance, HR)
2. Careers in Management.
3. Career option after Graduation
4. Group Discussion/Personal Interview Webinar
5. Resume Building
6. Opportunities in Banking Sector
