Dear Vanita Ma'am & Sanjay Sir,

TimesPro is an education initiative by The Times of India Group with an aim to revolutionize professional education. Addressing the gap between education and industry employability, it is focused on being the key catalyst for a pool of talented and well-trained professionals who would be fit for the sector they aim to work, grow and succeed in. It offers customized, industry-specific career programs and a well established network of leading employers to help students succeed in the competitive global job market.

The whole idea behind this initiative is to create awareness about career prospects in Banking and Financial Services, Digital Marketing, SAP etc. for final year students.

As per our discussion we like to plan from your given date for Digital Marketing Seminar on January 17th, 2019.

Awaiting for your revert.

Rajesh Pandit

Subject: Authorization Letter for conducting Counselling Sessions by Non-Government Counselling Implementing Organizations (CIOs) for Skill Saathi

Dear Madam/ Sir,

NSDC under the aegis of Ministry of Skill Development and Entrepreneurship has initiated a Mega Counselling campaign by the name of 'Skill Saathi' - with the view to counsel students of schools, colleges and dropout candidates about the Skill Eco System to make them aware of career pathways based on their aspirations and interest profiles. This is part of the larger Skill India Mission which was launched by Government of India, in 2015, to empower the youth of the country with skill sets which make them more employable and more productive in their work environment.

Skill Saathi has been designed such that it includes a psychometric assessment of the candidates. As part of the session, students will be oriented towards the various avenues that are available along with success stories shared from the skilling fraternity.

NSDC has rolled out this program through Non-Government Counselling Implementing Organizations (CIOs) wherein CIOs have been nominated as a Counselling Implementing Organizations (CIOs) for conducting Counselling Sessions. However, in order to benefit maximum number of students, NSDC would like to further create touch points apart from Non-Government Counselling Implementing Organizations (CIOs) through various Private, Central and State Government institutions like schools and colleges, etc. to help conduct Counselling Sessions by joining hands with the Non-Government Counselling Implementing Organizations (CIOs).

Thus, we would like to your seek support to allow the said Non-Government Counselling Implementing Organizations (CIOs) (list below) for counselling the students in your school/college.

We look forward to your support for making 'Skill Saathi' a success!

With Best Regards,
