Hi Ma'am,

Greetings for the day!

We are happy to be associated with Shankar Narayan College and looking forward to a fruitful year ahead. I am delighted to inform you that I will be conducting all the training at Shankar Narayan College.

As for now, we are planning to have 3 batches starting from August. The 3 batch would be as follows:

1st batch: Third Year B.com students

2nd batch: Third Year Self Finance students (BAF, BBI, BFM, BMS)

3rd batch: Third Year IT students (Bsc.IT, B.sc CS, BCA)

Each batch will be for 2 hours. Please let me know when I can plan the orientation next week with all the above-mentioned streams and what timings will be allotted to me if the batch is started in college so that I can plan accordingly.

Awaiting your response in this regard.

Thanks & Regards

Richa Modi

SUBJECT: Campus to Corporate Careers (C2CT) Program, 2022- 23 Satellite Center

TNS India Foundation, through the **Campus to Corporate Careers (C2CT) Program**, provides a transformative workforce readiness skills training for youth to make **better career choices** and **build a strong career path**. The program also provides placement support through corporate linkages with large and small firms. Our goal is to tackle the increasing need felt by fresh graduates - to sharpen and improve interview preparedness and make informed career choices after their graduation.

Understanding our beneficiaries' socio-economic constraints with regards to technological infrastructure, and aiming to democratize learning for all, TNSIF aims to establish 1 **satellite center** to bridge infrastructure gaps for disadvantaged youth. The Center is envisioned to offer access to digital infrastructure for aptitude, digital/technical training, and facilitate access to online test-taking as prescribed by multiple recruitment partners (Refer to Annexure 1 for detailed curriculum). The center can also serve as a placements preparation hub, with access to training and placement counselors, interviewing practice, and employer connect events including pre-placement talks

Satellite Center

TNSIF proposes to lease out an empty room within the college partners premises to establish a satellite center as part of its Campus to Corporate Careers program. TNSIF will set up a digital infrastructure to train students from the college and surrounding colleges enrolled in the TNSIF C2C Program. The satellite center would only be used for TNSIF training and placement activities.

Components of the Satellite Center

- TNSIF will set up 12/15 laptops/desktops in the room to train students
- TNSIF will set up a wifi for the systems
- TNSIF will bear the cost of electricity and maintenance as deemed necessary.
- TNSIF will set up and maintain the infrastructure for the satellite center

Requirements from Partner College for the Satellite Center

- Provision of classroom(s) to train students in soft skills in multiple batches (45-50 students/batch) on the basis of a mutually decided schedule by the college partner and TNS India Foundation.
- Provision to train students enrolled in colleges apart from the partner college.

- Facilitate the dissemination of information regarding the C2C Program to the final year or recent graduates by circulating TechnoServe C2C Posters and Orientation videos and messages in the student WhatsApp groups.

Takeaway for Students and College from this partnership:

- TNS India Foundation provides a readily available trainer stationed at the Satellite center for students to seek guidance on a 1:1 basis, career counseling and placement support at no-cost.
- TNS India Foundation's Marketing and Communications Team will work with the partner college to publicize the partnership and satellite center as an effort to upskill and economically empower urban youth.
- Establishing a satellite center and providing better skilling and job opportunities will help the college with National Assessment and Accreditation Council (NAAC).
- Students are trained to become personally effective young professionals.
- Employment assistance through placement opportunities in various companies in Banking, Financial Services, and Insurance (BFSI), IT enabled Services (ITeS), and Retail sectors.
- A mentor to ensure the smooth journey from campus to corporate.
- Well placed college alumni can help the future generation and reputation of the college.

To empower the final year students with the skills and attitude to enter a competitive workforce, the program offers the following-

Detailed features of the program are as follows:

- . 60-80 hours of training program including Basic Computer Theory, Aptitude tests including Verbal, Logical, Numerical and Analytical skills, Soft skills (choosing the right career option, applying for a job, CV and cover letter writing, business communication)
- .The training will be delivered via a blended learning approach i.e. through in class sessions and online platforms (Google Meet and Zoom) as applicable.
- Each training batch size will be between 30-50 students. Sessions of 1.5 -2 hours' duration will be conducted 5 days a week over a 1-month period at a time. . SUBJECT: Campus to Corporate Careers (C2CT) Program, 2022- 23 Satellite Center

TNS India Foundation, through the **Campus to Corporate Careers (C2CT) Program**, provides a transformative workforce readiness skills training for youth to make **better career choices** and **build a strong career path**. The program also provides placement support through corporate linkages with large and small firms. Our goal is to tackle the increasing need felt by fresh graduates - to sharpen and improve interview preparedness and make informed career choices after their graduation.

Understanding our beneficiaries' socio-economic constraints with regards to technological infrastructure, and aiming to democratize learning for all, TNSIF aims to establish 1 **satellite center** to bridge infrastructure gaps for disadvantaged youth. The Center is envisioned to offer access to digital infrastructure for aptitude, digital/technical training, and facilitate access to online test-taking as prescribed by multiple recruitment partners (Refer to Annexure 1 for detailed curriculum). The center can also serve as a placements preparation hub, with access to training and placement counselors, interviewing practice, and employer connect events including pre-placement talks

Satellite Center

TNSIF proposes to lease out an empty room within the college partners premises to establish a satellite center as part of its Campus to Corporate Careers program. TNSIF will set up a digital infrastructure to train students from the college and surrounding colleges enrolled in the TNSIF C2C Program. The satellite center would only be used for TNSIF training and placement activities.

Components of the Satellite Center

- TNSIF will set up 12/15 laptops/desktops in the room to train students
- TNSIF will set up a wifi for the systems
- TNSIF will bear the cost of electricity and maintenance as deemed necessary.
- TNSIF will set up and maintain the infrastructure for the satellite center

Requirements from Partner College for the Satellite Center

- Provision of classroom(s) to train students in soft skills in multiple batches (45-50 students/batch) on the basis of a mutually decided schedule by the college partner and TNS India Foundation.
- Provision to train students enrolled in colleges apart from the partner college.

- Facilitate the dissemination of information regarding the C2C Program to the final year or recent graduates by circulating TechnoServe C2C Posters and Orientation videos and messages in the student WhatsApp groups.

Takeaway for Students and College from this partnership:

- TNS India Foundation provides a readily available trainer stationed at the Satellite center for students to seek guidance on a 1:1 basis, career counseling and placement support at no-cost.
- TNS India Foundation's Marketing and Communications Team will work with the partner college to publicize the partnership and satellite center as an effort to upskill and economically empower urban youth.
- Establishing a satellite center and providing better skilling and job opportunities will help the college with National Assessment and Accreditation Council (NAAC).
- Students are trained to become personally effective young professionals.
- Employment assistance through placement opportunities in various companies in Banking, Financial Services, and Insurance (BFSI), IT enabled Services (ITeS), and Retail sectors.
- A mentor to ensure the smooth journey from campus to corporate.
- Well placed college alumni can help the future generation and reputation of the college.

To empower the final year students with the skills and attitude to enter a competitive workforce, the program offers the following-

Detailed features of the program are as follows:

- 60-80 hours of training program including Basic Computer Theory, Aptitude tests including Verbal, Logical, Numerical and Analytical skills, Soft skills (choosing the right career option, applying for a job, CV and cover letter writing, business communication)
- The training will be delivered via a blended learning approach i.e. through in class sessions and online platforms (Google Meet and Zoom) as applicable.
- Each training batch size will be between 30-50 students. Sessions of 1.5 -2 hours' duration will be conducted 5 days a week over a 1-month period at a time. The program also includes individual student counseling, which will be conducted via online/offline platforms, as well as post training, pre-placement and post placement counseling.
- Career fairs or individual placement drives will be conducted in an online/offline format to place trained students in formal sector jobs.
- The above mentioned training and placement is free of cost for both, the students and college.

THE PRINCIPAL
SN COLLEGE
MUMBAI

Sir/ Madam,

**Sub: Seminar & Presentation on Career Opportunities
in Airlines & Aviation Industry Sector.**

Many thanks for your courtesy this morning when I visited your college. We deeply value your co-operation and understanding of the need for such efforts to give a sense of direction and knowledge of the field open to students after securing necessary qualifications.

It is now common knowledge that apart from a University degree, specialized qualification is a must in the specific field. Students may learn and treat it a vocation – not a mere job – an opportunity for a dedicated career.

One such field is the Airline Industry and the Aviation Sector. This will enable them to stand on firm ground when it comes to competition in terms of knowledge, physical & mental fitness, self-confidence and personality development.

We at FLYHIGH have various training programmes' such as:

- Air Hostesses
- Flight Pursers
- Ground Staff
- Reservation, Ticketing & Ground Hostesses (I.A.T.A – U.F.T.A.A)
- Airport Terminal Management
- Personality Development

For our students of the age group from 16 years onwards.

We at FLYHIGH AVIATION ACADEMY consider it a mission to impart all these qualities so that the would be grateful to us all through life. This is our reward more than the little money involved. Imparting knowledge and expertise to the young generation by itself is a joy. It is gratifying to note that you share our views and extend support & co-operation, which inspires us to strive our utmost. I would therefore be grateful if you will kindly facilitate the Presentation & Seminar on 2 DEC from 09:30.

Looking forward to meeting you soon and with warm regards,
Cordially yours,

CATHERINE JOSEPH.

To,

The Principal,

S. N. College

Dear Sir/Madam,

I would like to request an opportunity to participate in your yearly Seminar wherein we will invite your students for a "Free Workshop" organized by **G-TAC JAIN KEERTI EDUCATION**

Allow me to take this opportunity to introduce ourselves as "**G-TAC JAIN KEERTI EDUCATION - India's No. 1 Computer Education Institute.**" We have been training aspirants to develop careers in Computer education for 26 years. We are present in 98 centres across Mumbai. Our students have been successfully placed in leading IT companies.

We propose to conduct a **Free Workshops/Free Career Counselling/Aptitude Test** and make your students abreast about the various career prospects in this ever-growing Industry. Also, as a special gesture, we take immense pleasure in announcing "**FREE SCHOLARSHIPS**" to deserving candidates, after this Session.

Requirement:-

- > Enquiry Stall in your premises.
- > put up a Banner in the seminar.
- > Conduct seminar on same day & preferable time given by HOD for Degree College/ Jr.College
- > Class-to-Class announcement for Free Workshop/Free Career Counselling/Free Aptitude Test.

The above program is aimed at **developing students for the challenges & requirements of their professional and personal life.**

We have conducted such activities in various schools and colleges with overwhelming positive and encouraging responses from the college authorities & students as well.

We request you grant us your valuable time and an opportunity to conduct this program to contribute to the development of the student community at large.

We are thanking you in anticipation of your positive response.

Yours Sincerely,

Pankaj Kurdekar.
G-TAC JAIN KEERTI EDUCATION (Bhayander).
Centre Director.

Dear Madam,

Subject: - Career Guidance lecture for students - CMA Course.

You may be aware that the Institute of Cost Accountants of India (ICAI), formerly known as The Institute of Cost and Works Accountants of India (ICWAI), is a Statutory Body established under an Act of Parliament 1959. It has its Head Quarters at Kolkata and Four Regional Offices at Delhi, Chennai, Mumbai and Kolkata. In addition, there are 100 Chapters located all over India and 10 Overseas Centers engaged in promoting the profession of Cost and Management Accountancy. The Institute conducts examinations and grants certificates of Practice to its Members. Over the years it has emerged as a leading National Professional Institute concentrating more and more on knowledge, training and research in field of Management Accounting and Financial & Cost Management.

The prime objective of the Institute is to promote the knowledge of Cost and Management Accountancy; to provide educational facilities for training of young men and women for building careers in Management Accounting; to improve the decision making skills and administrative competence relevant to management accounting and corporate management in general; to create knowledge through research both applied and conceptual relevant to management on Cost Accounting and its un-denying disciplines so as to disseminate such knowledge through publications.

The Institute of Cost Accountants of India, a national accounting body, is also a founder member of International Federation of Accountants (IFAC), Confederation of Asian and Pacific Accountants (CAPA) and South Asian Federation of Accountants (SAFA). The Institute of Cost Accountants of India is second largest Cost and Management Accounting body in Asia. Presently, the Institute has more than 80,000 members both in employment & practice and more than 5.50 lakhs students on its rolls., more than 5000 Cost Accountants are located in the State of Maharashtra and quite a considerable number of them are in active practice in various areas like Cost Audit, Customs, Central Excise, Stock Audit, MVAT, Service Tax, GST, State Excise, Statutory Auditors under section 148 of the Companies Act, 2013, Internal Audit and other Audit under various Acts. Cost & Management Accountants in practice are also engaged in certification work viz., under various States & Co-operative Societies Act. The globalization of all economic activities, the industries both in manufacturing and service sector have recognized the potential of the Cost and Management Accounting profession in giving support in effective resource management and making the operations more cost effective for facing the challenges of management.

We shall be grateful, if your good selves could give us an opportunity to address all interested students enabling them to join CMA Course - which ensures a better tomorrow by way of arranging Career Guidance lecture at your college. Please inform us the convenient day, date, & time, to enable us to make a presentation on "CMA Course". The tentative time required for the same will be 60 minutes seminar for your Junior and Degree college students. In case you need any further information kindly contact Mr. Tanmay More, Asst. Admin Officer, Mobile No. 8828061444.

You are requested to contact undersigned. A line in reply will be highly appreciated.

With kind regards,
Yours Sincerely,
